PREVIOUS DUTIES

In my previous career at Cambridge, I fulfilled the usual duties of a University and College Lecturer, lecturing and supervising on a wide range of texts from the seventeenth century to the present day. I played a full role in College administration (Director of Studies, Tutor, Registry, member of College Council) and in the Faculty (Faculty Board, Degree Committee), and took part in various Departmental working parties. I helped to design the M.Phil. in European Literature. Full details can be provided if necessary.
